**ALL ENTRIES MUST COMPETE ON THE DAY AND TIME ASSIGNED. ALL ENTRIES WHICH DO NOT COMPETE AT THEIR ASSIGNED DAY AND TIME WILL AUTOMATICALLY BE ADJUDICATED AND WILL NOT BE ELIGIBLE FOR HIGH SCORE.** Any change in competition days and/or times is at the sole discretion of Starpower and will be determined by the amount of time available at each Regional Competition.

**INCOMPLETE ROUTINES:** Any SOLO routine which is not completed the first time, and is attempted a second time, **WILL BE ADJUDICATED ONLY** and not eligible for the High Score Award. A time schedule will be mailed and e-mailed, provided an e-mail address was provided on your entry form, one week prior to the competition date to all entrants. Starpower does not have a general format which we follow at our Regional Competitions. Every regional schedule is set up based solely on the breakdown of entries by solos, duets/trios, groups and lines for that particular city. We do not have this breakdown in numbers until all of the entries have been processed and at that time we set up a schedule which will best accommodate the people at that regional. We do it this way so we can try our best to have all the days of the regional end at a reasonable time, especially Sundays, when the students have to go to school on the next day. We would rather go later on a Friday or a Saturday and then let everyone leave earlier on Sunday. This would not necessarily be possible if we followed a pre-determined format.

At any Regional competition, if any act drops below the minimum number of performers required in the group they registered for, the act will be awarded their award based on points, however, the act will not be eligible for High Score Awards. **EXAMPLE:** A group of 10 performers registered as a Large Group and 1 performer is unable to perform, this will then drop the number in the group to 9. They can still be judged as a Large Group, so that all 10 can attend the Championships, but they will not be eligible for the High Score Awards. The number which each routine is assigned is basically for reference and identification purposes. We do run in numerical order, however, you may be asked to compete out of sequence in order to avoid a delay due to costume changes. Please be prepared to compete when we call your number, even though it may be a few numbers earlier than you anticipated. Points will be deducted if contestants do not perform in scheduled sequence, unless permission is granted by M.C. or stage manager at the competition.

Any studio who delays the show because they are rehearsing, will have points deducted from their total score.

All contestants grant permission to the directors of Starpower, Inc. to use their photographs or to appear on local and/or national television to promote its competitions.

There will be a £15 charge if Starpower receives a check back from the bank as 'unpaid' for whatever reason, from any individual or studio, and all future payments from that individual or studio will have to be in the form of a money order or cashier's check.

All entries received after the 21 day deadline, **MUST BE ACCOMPANIED BY A CERTIFIED CHECK OR MONEY ORDER**. No personal or studio checks will be accepted after the deadline.

SMOKING IS PROHIBITED IN THE COMPETITION AREA.

NO CASH REFUNDS will be issued.

THE STARPOWER RULES WILL BE EVALUATED AND ENFORCED ON AN INDIVIDUAL BASIS, BASED ON WHAT IS BEST FOR ALL PARTIES INVOLVED.

Sportsmanlike behavior is expected at all times. Failure to display proper decorum could result in immediate disqualification.

Starpower, Inc. and the hosting facility are not responsible for personal injury or property loss.

Contestants will be judged by a panel of well-qualified judges, and all decisions of the judges will be accepted as final.

VIDEO TAPING AND MOVIE CAMERAS ARE STRICTLY PROHIBITED (Disqualification could result.) If video cameras are found in the competition auditorium Starpower reserves the right to take the video tape being used. Teachers, please inform your contestants and studio parents of this rule... Thank You. At any international competition, any group or individual with a gold medallion or better placement, will be eligible to attend Starpower's World Championships in July 2012.
